

Annual Spring Dinner Planned by Alumni

Members of Four Honored
Classes Will Speak
Here at Banquet.

Officers Will Be Elected

President-Emeritus Uel W. Lamkin
And President Jones Will
Be On Program.

Alumni of the College will gather at Residence Hall at 7:00 o'clock on Wednesday, May 28, for the annual Alumni Banquet.

Reservations may be obtained from Miss Marie Blue in Room 212 of the Administration building, from Mrs. R. T. Wright by calling H 5484, or from Mrs. J. A. Anderson by calling H 6468 or F 558. The banquet will be served at \$1.00 a plate, May 28, at noon, is the reservation deadline.

President J. W. Jones and President-Emeritus Uel W. Lamkin will deliver speeches during the course of the evening. A short speech will be made by Mr. M. E. Ford, resident member of the Board of Regents.

Immediately following the banquet, guests will be introduced and classes will be presented.

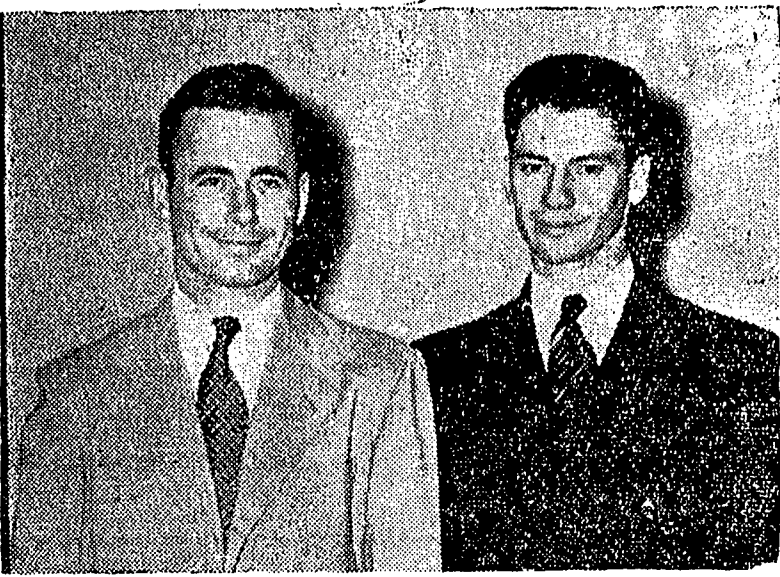

Special invitation cards have been sent all members of honored classes. One member of each honored class will give a response. Speakers this year are Mr. A. H. Cooper, 1907; Mr. Joseph Lukens, 1917; Miss June Cozine, 1927; Mr. J. B. Cummins, 1937; and Mr. Robert D. Cramley.

An after dinner program is being planned.

During the business meeting there will be an election of officers to fill three vacancies in the Alumni Association. Every three years the president of the association is automatically eliminated from office, and the first and second vice presidents move up one office, leaving a vacancy in the position of second vice president. New members are selected each year at the banquet for the offices of secretary and treasurer. Present officers are as follows: Mrs. J. A. Anderson, president; Mrs. R. T. Wright, first vice president; Mr. Howard Leech, second vice president; Miss Laura Hawkins, treasurer; and Miss Marie Blue, acting secretary. An executive board meeting will follow the business meeting.

Serving on the committee for table decorations and as hostesses at the banquet will be Mrs. R. T. Wright, Mrs. Emmett Scott, Mrs. Lon Wilson, Mrs. Thomas Eckert, Mrs. Donald Haynes, Miss Mabel Clair Winburn, and Miss Mary Ruth Espey.

Speaker Discusses School Recreation

Urges Teachers to Create
Interest in Children's
Play Activities.

"Children will love a teacher who can think of things to do," said Miss Helen M. Dauncey, specialist from the National Recreation Association as she spoke on recreation at the College assembly, Monday, May 5.

The speaker urged future teachers to participate in recreational activities and rhythmic skills as an aid in creating in children an interest in activities. "If you get interest in some subjects you can get better work in others. When you go out to work with human beings, little people or big people, the more things you know how to do with them the more fun you will get out of your job and the more fun they will have with you."

Miss Dauncey said that it made her "heart sick" to visit schools, and see the children rush out on the playground full of pent-up energy and not have anything to do. "Teachers line up against the school building wall, shivering and cold," she continued. Miss Dauncey did not blame the teachers too much because "she felt that teacher training schools do not provide teachers with enough recreational leadership instruction."

The speaker defined recreation as any leisure time activity which brings joy and happiness and which brings a new zest to life. "She went on to say that recreation 'should always be by personal choice,' and that 'it is most fitting when it gives a chance for personal effort and participation.'"

Miss Dauncey asserted that a good recreational program should serve all groups, and that too much emphasis has been placed on the "teen age" group. "Teen-agers need good programs, but the whole world has gone overboard in singling them out and providing programs just for them," she said.

"In the first place," she continued, "adjective 'juvenile' doesn't belong before delinquency as much as before community delinquency or parental delinquency."

In concluding, Miss Dauncey told of the services of the National Recreation Association. One of the services is a consultation bureau. "If you get out in school work and realize that you don't know what to do but need something, write for information about plays, games, playground, etc. The Association offers information on every phase of recreation, how to start it, and how to develop it. Think in terms of ten years from now. There needs to be long term planning in building a recreation program."

Senior Music Students Will Present Recitals

Two members of the Senior Class will be presented in a recital Wednesday, May 21, at 8:15 p. m. at the Horace Mann auditorium. The two recitalists will be Miss Leona Downing, mezzo-soprano, who is a student of Mr. Ralph Hartzell; and Mr. Kenneth Tebow, violinist, student of Miss Catherine Phelps.

Miss Downing is presenting two groups of songs consisting of "Caro Mio Ben," by Giordani; "Beausoleil," by Debussy; "Sapphic Ode," by Brahms; "Dawn," by Curran; "Night and the Curtains Drawn," by Ferrata; "By a Lonely Forest Pathway," by Griffes; and "When I Have Sung My Song," by Charles. She will be accompanied by Miss Janet Dickey.

Mr. Tebow is playing the following: "Sonata in D Major," by Handel; "Caprice No. 1," "Op. 18" for two violins; "Caprice No. 2," "Op. 18" for two violins by Henri Wieniawski; and "Arlene," by J. S. Bach. He will be assisted in the two Caprices by Miss Catherine Phelps. He will be accompanied by Miss Judith Thom.

Pres. Aleman of Mexico Honored in Kansas City

Dr. J. W. Jones, president of the College, participated in ceremonies at the University of Kansas City, Wednesday, May 7, when a special convocation was held in honor of President Miguel Aleman of the United States of Mexico. As part of the ceremonies, the University conferred an honorary degree upon President Aleman. The Mexican president's address to the Kansas City audience was an important feature of the convocation.

Immediately following the special convocation at 11 a. m., Dr. Jones was guest at a luncheon given at the Hotel Muehlebach by the Chamber of Commerce of Kansas City in honor of President Aleman. Business, professional, and civic leaders of Kansas City attended.

President Aleman had expressed a personal wish to meet the heads of various colleges and universities in this area upon his visit to Kansas City, and Dr. Decker, president of the University of Kansas City, in compliance with this wish, invited many of the college and university presidents, including Dr. Jones, to participate in the academic procession and exercises at the special convocation.

Faculty and Students:
I wish to take this opportunity to thank each and every one for the splendid cooperation and support I received while president of the Student Senate. Without this loyal support the task would have been unbearable; with it, it was a pleasure.

I also charge you to give the new officers and senators the same loyal support you gave me. Without it they can do nothing; with it they have the opportunity to do outstanding things for you and your College.

Commerce Students Give Mock Trial in Assembly

Under the general direction of Mr. Sterling Surrey, chairman of the Commerce department, a group of students presented a mock trial this morning in assembly. The outcome of the trial was not available at the time of publication, but a show of enthusiasm on the part of the actors and the audience was evident.

Mr. Surrey ruled over proceedings as judge. The plaintiff was Darrell Foster and the defendant was Andy Anderson. Gene Polk and Louise Watkins helped to defend the plaintiff as attorneys. Charlotte Spahnover and Harvey Lund performed the same task for the defendant.

Tony Rizzo, a vocalizing expert; Shirley Sisk, a night club entertainer; and Clyde Saville, an appraiser of Anderson's tire shop, served as witnesses for the plaintiff. Witnesses for the defense were Louise Straight, cashier at the "Greasy Spoon"; Arthur Walsh, a salesman; and Lee Hoover, an employee of Anderson.

Raymond Schardin, served as court reporter; Donald Brown, foreman of the jury; Dewey Drennan, as clerk of the court; Beulah Mercer, as technical adviser for the plaintiff; Mr. Schardin, as technical adviser for the defendant; and Maxine Holland, as janitor.

Mr. Brown Acts as Toastmaster
Everett W. Brown, director of field service at the College, served as toastmaster at the high school alumni banquet at Craig on May 12.

Dr. Frank Grube Heads English Department

Dr. Frank W. Grube has been named chairman of the department of English. Dr. J. W. Jones has announced. Mr. Grube, who is now teaching at Northwestern State College, Tahlequah, Oklahoma, will begin his duties in September. He succeeds Dr. Anna M. Painter.

Dr. Grube received his A. B. degree at Shurtleff College, his M. A. from Columbia University, and his Ph. D. from the University of Iowa. He is married and has one child. Dr. Grube, a native of Mount Pleasant, Iowa, has taught in Wisconsin and Iowa.

Dance Club Gives Recital Tomorrow

College Students Present
Varied Entertainment
Before Public.

Dance Club will present its annual recital of modern dances in the College auditorium at 8:15 on Thursday evening, May 15.

This colorful group of entertainers has been under the direction of Miss Winice Ann Carruth and has undergone long hours of practice in order to make the recital a success.

Miss Chloe Brown, assisted by Miss Bonnie Magill and Roberta Robertson, may be credited with preparing the clever costumes of the Dance Club members.

Dorothy Anderson is to be the accompanist for the group, with Mary Lou Bilby accompanying the dance "Prom." Reader for the dance poems will be James McKinsty. Richard Thomas will be responsible for the lighting.

The Dance Club program is to be divided into two parts. The first section will consist of the following dances:

- I. Salutation
- II. Harmonics Players—Guion
- III. Preludes—Gershwin (Choreography for Prelude III by Sue Philp.)
- IV. Valse Trieste—Sibelius
- V. Dance Poems
- The Mysterious Cat—Vachel Lindsay
- Danse Africaine—Langston Hughes
- Dream Variation—Unknown.
- Song of a Dream—Saronjini Naiche
- VI. Nocturne—Debussy

After intermission the following dances compiled into a tribute to the College will be presented:

- I. Registration—Bellini
- II. Salute to Bears
- III. Prom—Carmichael
- IV. Examination—Grieg
- V. Graduation—Godowsky
- VI. Alma Mater—Arranged by Willard Robb

Members of Dance Club are as follows:
Marcella Chandler, Margaret Fisher, Jaunita Ford, Doris Jean Hamilton, Dorothy Harshaw, Sarah Jane Huggins, Delores Keown, Kathryn Krause, Nyline Luyster, Dorothy June Masters, Beverly McCowen, Meredee Myers, Betty Neill, Marilyn Partridge, Sue Philp, Marcelline Redburn, Evelyn Rhodes, Claire Wallace, Lavonne Wescott, and Elaine Woodburn.

Juniors Elect Officers
Officers for the junior class were elected May 8. They will be installed at the beginning of the fall quarter. They are as follows: President, Doris Gillespie; vice-president, Pete Younger; secretary, Velma Oyler; treasurer, Wilmer Martin.

Kansas Speaker to Address Class Graduating From College May 29

DR. KENNETH MCFARLAND

Dr. McFarland Possesses
Enviably Reputation on
Lecture Platform.

"Behold This Day" Is Title

Events of Commencement Start
With Baccalaureate Service
Sunday, May 25.

President J. W. Jones announces that Dr. Kenneth McFarland, superintendent of schools at Topeka, Kansas, will give an address at the commencement exercises, Thursday morning, May 29. The subject of his address will be "Behold This Day!"

Dr. Kenneth McFarland is a native Kansan. He received his A. B. degree from Pittsburg State College in Kansas, his M. A. degree from Columbia University in New York City, and his Ph. D. degree from Stanford University, California. He is nationally known both as a school executive and as a public speaker.

Dr. McFarland is recognized throughout the country for his development of the unit plan of school administrative organization. Under this system the big business of public education is run just like a well managed corporation. Board members serve as a board of directors and constitute a legislative or policymaking body. The actual management of the schools is done by the professionally trained management, which is in turn held responsible for results.

Is Vocations Authority.
In addition to his many other attributes, Dr. McFarland is an authority on the organization and administration of vocational education. The highly modern McFarland Trade School which he designed and built at Coffeyville, Kansas, is named in his honor. His interest and knowledge of business and industry have extended into today he is greatly in demand in these fields as a consultant and speaker. He is well known for his lectures in personnel administration, public relations, and salesmanship.

Dr. McFarland could easily spend all his time speaking were he to attempt acceptances for any considerable portion of the invitations with which he is constantly favored. His speaking appointments for April alone ranged from Spokane and Portland to an industrialists' conference in Winston-Salem, North Carolina.

Dr. McFarland's speeches consist of a pleasing blend of information, inspiration, and sparkle. From the reports which come from all over the nation, it may be conservatively assumed that he has few peers as a platform speaker.

On the commencement week calendar there appear, besides the baccalaureate services, May 25, and the commencement exercises, the annual senior breakfast, class day activities, senior reception at the home of President and Mrs. J. W. Jones, and the alumni banquet.

Paul Wilson of Columbus, Georgia, is the acting president of the class; Clara Judson of St. Joseph is secretary; and Jeanne Stewart of Hamburg, Iowa, is treasurer.

Dr. Cunningham Attends Teaching Conference

Dr. M. C. Cunningham, dean of the College, has been selected by the Missouri State Teachers Association to attend the National Conference for the Improvement of Teaching at Oxford, Ohio, on July 3-5.

Others from the state who will attend are Miss Mary B. Womack, St. Louis; Mr. Raymond R. Brock, Liberty; Mrs. Marian Bisset Hoblit, Springfield; Miss Louise Phillips, Jefferson City; Dr. L. G. Townsend, Columbia; Miss Marie A. Ernest, St. Louis; and Dr. Harold C. Hunt, Kansas City.

Distinguished Artist Will Give Music Recital

Mrs. Huldah Nicholas of St. Joseph, a distinguished artist in piano, will give a recital at the College at the regular assembly hour, May 21. Mrs. Nicholas was for a short time a student here.

Recently Mrs. Nicholas was praised highly for a recital given at the Robidoux Hotel in St. Joseph, sponsored by the Fortnightly Musical Club. She is superb, both in her playing and in her compositions, according to a critic writing for the St. Joseph News-Press.

Mr. Colbert Visits Campus.
Mr. George H. Colbert, former chairman of the Mathematics department, was a campus visitor Monday of this week. Having been a member of the faculty since the "early days," Mr. Colbert knows the history of many of the College traditions. In an early edition of the Northwest Missourian next fall will appear a story which he related last Monday, an account of the origin of the College colors.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us.

ADVICE ON MATRIMONY

Girls who are inclined to go into tamtrums, who are spendthrifts, are strong on makeup, but short on humor aren't good matrimonial risks.

On the other hand, one who is emotionally grown up, healthy, gets along well with people and shows an interest in the world is a good risk.

Such is the advice of Dr. Katherine Taylor, secretary on family living at the University of Illinois Y. M. C. A., to young men.

She said marriage is most likely to be a success where:

1. Bride and bridegroom are both the children of a happy marriage.
2. There is affection for parents, sisters and brothers.
3. Common ideals, goals and aspirations are present.
4. The parties are neither rich nor broke.
5. There is parental approval.
6. They know each other after long acquaintance.
7. There is enjoyment of similar recreation.
8. There is sound health.
9. Each is able to save money.
10. Each belongs to several social organizations.
11. There is similar background in education, social status and culture.

"Within the next 10 years 90 per cent of you will agree to invest \$150,000 to \$200,000 (your life earnings) in a partnership in which the partner will spend most of the money," she tells young men on the university campus.—Exchange

GEOGRAPHY IS PRACTICAL

The airplane has created a new world geography. Events since the beginning of World War II have shown how illiterate the American public is concerning the field of geography. The world has changed faster than man's ideas have changed with the result that we are having trouble keeping step with current developments. In recent years, we have learned some valuable lessons, and unfortunately, some of these have been acquired the hard way. It has become evident that educators have too long regarded geography as a subject suitable for training children in the elementary grades. The belated discovery that geography is a practical study for the adult has been impressed upon the public during this period of world crisis, and has led to no little confusion. —Wood-White, Missouri Social Studies Bulletin.

Ode in May

What is so sweet and dear
As a prosperous morn in May,
The confident prime of the day,
And the dauntless youth of the year,
When nothing that asks for bliss,
Asking aright, is denied,
And half of the world a bridegroom is,
And half of the world a bride,
—Sir William Watson.

DENTON, TEXAS — (ACP) — Looking far into the future, Frances Scofield, North Dallas high school student, doesn't plan to have her education fouled up by past, present or future housing problems at North Texas State. Miss Scofield, who will graduate from high school in spring of '48 has written for her reservation for a dorm room at North Texas State for her freshman year, 1948-49. She got it.

Although a slave-holding state North Carolina did not secede from the United States until after Lincoln's first call for troops.

The first use of gas for illuminating purposes in the United States was in 1879, at Baltimore, Md.

They are shown here, left to right: Betty Johnson, Alpha Sigma Alpha, Maryville; Sam Carpenter, Dramatics club, Bolckow; Jean Bush, student chairman, Maryville; Mrs. Ramona Canton, faculty representative; Dr. John Harr, faculty chairman; Mary Garrett, Student Christian Association, Maryville.

Those standing: Gordon Johnson, Alpha Phi Omega, Stanberry; Lee Dreps, International Relations club, Barnard, S. D.; Ross Bixler, Phi Sigma Epsilon, Geneva, Ill.; Norbert Meyer, "M" club, Clyde; Marvin Doran, Sigma Tau Gamma, Maryville; Mary Loyce Rowell, Kappa Phi, Skidmore; Charles Hinchey, Barkatz, Turney, Mo.; Dorothy Howell, Delta Sigma Epsilon, Huron Junction; Paul Gates, Northwest Missourian, River Grove, Ill.; Dorolha Adams, Cooperative Independents, Wilcox; Helen Sutton, Residence Hall, St. Joseph; Alice White, Varsity Villagers, Cameron, and Clara Judson, ACE, St. Joseph.

MID-AMERICA COLLEGE CONGRESS

At the April 23 assembly, Dr. John L. Harr, Jeanne K. Taylor, and Roger L. Wren presented to students and faculty a group of twenty-eight resolutions dealing with international affairs. These resolutions were the results of the Mid-America College Congress held in St. Joseph, April 11-12, and sponsored by the National League of Women Voters. The official ballot and tabulation is printed below.

Yes No Group I. Control of Armaments and Preservation of Peace.

- We recommend:
1. The principle of a democratic form of world government predicated on the substitution of a three-fourths majority vote in lieu of the veto power.
 2. Atomic world authority.
 3. Immediate organization of adequate international police force.
 4. World disarmament and limitation and control of world armaments.
 5. Prohibition of conscription and compulsory military training in all nations.

Group II. Economic and Social Problems.

1. We urge the consideration of tariffs as a matter of international rather than national concern and thereby endorse the reduction of tariffs by multilateral agreements based on reciprocity.
2. We endorse the proposed I. T. O. and recommend a more equitable distribution of raw materials to all nations.
3. We urge the necessity for workable agreements between the two conflicting economic and social systems to preserve the peace.

Group III. Backward and Dependent Peoples.

1. With the U. N.'s approval, the United States temporarily give these dependent peoples financial, military, and technical aid ONLY to promote a self-sustaining economy and political self-determination among the recipient peoples.
2. That all dependent peoples be placed ultimately under the control of the U. N. Trusteeship Council.
3. That the United States support UNESCO and continue to implement its program by augmenting our financial and moral support in the promotion of its aims: to afford opportunities for study, travel, and the exchange of students and teachers between all countries.
4. Establishment of an international publication made accessible to all people.
5. The interchange of students and teachers.
6. The relaxation of pass-port restrictions.
7. The adoption of a Bill of Human Rights.

Group V. Peaceful Settlement of International Disputes.

1. That all nations of the world be compelled to submit to the decisions of the International World Court.
2. That the armed power of the United States be on a temporary basis in the hope that ultimately justice through education may come to supplant force as a means of securing peace.
3. That any armed forces at the disposal of the United Nations be used only at the discretion of the World Court.
4. That the veto power of the Big Five be regarded as a temporary measure.
5. That the definition of the word "Procedural", appearing in Chapter 5, Article XXVII, paragraph 2, be left up to the World Court.
6. That the veto power, while in use, be strictly limited to exclude cases applicable under the above definition.
7. That the United States of America adopt a policy which will enable a member of the Security Council to vote negatively without automatically imposing the veto.
8. That the present U. N. evolve into an ultimate form of World Federal Government.
9. That the foreign policy of the United States be directed toward the federalization of the United Nations.
10. That the foreign policy of the United States be at all times consistent with the basic principles of the Truman Doctrine until such time as the United Nations will be capable of supplanting independent action on the part of the various nations.

Group IV. Human Rights and Civil Liberties.

1. That the United States lend its complete moral and financial support to the U. N. affiliate, The Human Rights Commission, and advocate and work toward the adoption of an International Bill of Rights. Charges for direct and obvious violation of the human rights may be brought against a nation in the judiciary of the U. N.
2. That the United States ratify and support the International Refugee Organization, revise its immigration quota to aid the refugee problem, alter its national origin basis for immigration to provide for revised quotas under the present screening system and aid in the transportation of displaced persons and refugees where needed.
3. Free communication of people and general dissemination of information.

On several of the ballots notations had been made by students. One student observed that he (or she) did not feel qualified to vote, but did express an opinion about sixteen of the points. One of the aims of the meeting was to arouse in students an interest concerning America's foreign policy so that those who lack information now will not be laboring under that same handicap when they choose representatives to speak for the people. Another paper expressed the same idea by saying that "Until I know what I am working on I cannot work."

Discussions such as those held in this assembly can be very helpful in promoting understanding of national affairs. Although the resolutions presented were received very favorably, some criticisms were written which should be considered as a guide to future meetings. Number 3 of Group II was vetoed on the ground that it costs too much. A pessimistic note was sounded when one person declared flatly that none of the resolutions will work and another declared that Utopia was the only place where these resolutions could be accepted. Two ballots pointed out that the writers favored helping people, but not reactionary governments such as the present Greek and Turkish governments. An additional resolution was made "That the entire world be run on principles set down in the Ten Commandments and Golden Rule."

In answer to the question, "What are backward and dependent peoples?" Dr. Harr asserted that according to the United Nations Charter they include all people in former mandated areas under the League of Nations.

Health Department

Changes in office hours of the Health department were announced in assembly last week. After Mrs. Brightwell's departure Mrs. Wormsley will be in charge of the health office in the gymnasium as well as the one at Horace Mann. At present Horace Mann health office is open from 9 a. m. until 11 a. m. Mrs. Wormsley is on duty at Residence Hall from 11 a. m. until 12 noon. The gymnasium health office is open from 1 p. m. to 4:30 p. m.

Attention Short Course Students! You will be required to have a physical examination by our Health department. Please call Hanamo 4670 or report to the Horace Mann or gymnasium health offices for appointment. Physicals are being given at the gymnasium health office from 1 p. m. until 4:30 o'clock. You have only two weeks in which to take care of the matter.

The first class of Home Nursing, which is being conducted by Mrs. Vivian Wren in the housing units, was held Thursday, May 1. Mrs. Wren reports that eighteen turned out for the class and displayed a great deal of interest in the subject.

A Song.

The world is young today:
Forget the gods are old,
Forget the years of gold
When all the months were May.
—Digby Mackworth Dolben

Illinois, Iowa, Wisconsin, Minnesota and Nebraska, in the order named, are the largest producers of oats in the United States.

The area of the state of New York is 49,170 square miles.

The human eye can detect about 10,000 different tints.

The Stroller

Unlike the three wise monkey the Stroller sees all, hears all, and tells all!

Saturday afternoon as the Stroller cautiously crept along Fourth Street in front of Wilson's Jewelry Store he overheard Her Dieterich, Jr. ask his friend, "Would you like that diamond, or would you prefer the \$650 ring?" The reply could not be heard by the Stroller who had to hurry along with the scoop that things are getting serious with that certain girl who was in Maryville this week-end.

Incidentally, the Stroller thinks he knows now where Mrs. Mauzey's husband obtained the "rock" which adorns her finger. (Plug for Wilson's).

Hell Week is over for those poor Tau pledges who, although tired and a wee bit sleepy, became active during Sunday's initiation ceremonies. Proud wearers of the Tau badge include Moody, Bahr, Milligan, Rupe, Roach, Boyd, and Schweikert. Tom Greeley, of last fall's group, also became active.

Dewey Drennan made headlines Sunday by leading the procession of the traditional Tau attendance at church. After being ushered to the seats, Dewey sat down only to discover that the audience was standing. Of course there was nothing to do but to play jack-in-the-box for awhile.

Aviation has its one-way Corrigan, but we of the College have another celebrated individual after the intra-squad game of football last week. We now have Wrong-Way Andrews, Cotton—that is, who became an extra man on one side of the line and tried to find out in the huddle just what was going on and thus steal the plays. It took a couple of downs for them to get Cotton straightened out. The Stroller's advice to Cotton would be to train his boys to get in on the home team and in basketball never toss a bucket for the other team.

Skip Sherman's mother was on the sidelines to see that intra-squad game. Mrs. Sherman was a nightly patron during the "Y" tournaments in basketball last winter—or, that is, whenever Skip played.

Proud owners of new Chevies are the Wheaton Elkins, the Earl Lyles, and the Wilmer Martins. Martin's Model A will not dot the campus parking grounds after this week.

Rjean Black (the Clark Gable of the week) isn't suffering from another hangover, or isn't a movie star in disguise, but has been suffering from eye infection.

Alicia Casanovas isn't nursing her breaking heart any longer for that certain Iowa boy who quit school last quarter—but who is this new heart throb who has been squiring her to shows lately?

Marty Redburn made the Des Moines Sunday-Register as well as local Missouri papers. The Register ranks among the leading papers of the day, and Marty chose it to announce her engagement to Mr. Doran, also of the College.

Crew haircuts are the rage around the campus. Slack's crew cut should be mentioned here.

Oh, for a Cushman contagious smile! If the Stroller could just see one each Blue Monday morning he would be set to meet anything.

Claire Wallace has a number of admirers since her father has a new Buick. Funny what a car does for the female members of the campus.

Several of the College students and grads attempted to regain a part of their youth by being chaperons to the Junior Prom of Horace Mann High held at the Country Club, Tuesday night.

What Your Senate Does

OFFICERS

Richard Thomas President
Richard Appelman Vice President
Mary Garrett Secretary
Joan Miller Treasurer

Business Meeting

The meeting was opened by the president. Roll was called and the minutes of the previous meeting were read and approved.

Richard Thomas and Richard Appelman, president and vice-president respectively of the student body for the year 1947-48, took the Student Senate oath of office. The remainder of the meeting was presided over by President Thomas.

A motion was passed, at the suggestion of Miss Locke, that the permanent decorations used at the Alpha Sigma Alpha Spring Formal be purchased with the Student Social committee's fund for the sum of \$25.

A motion passed that the Dramatics Club be granted the use of the Den, Tuesday evening, May 6, from 9 until 10:30, provided some arrangements could be made for some approved person to supervise the running of the record machine.

A motion passed that the Delta Sigma Epsilon sorority be granted permission for the use of the Den on Friday evening, May 17, and all day Saturday, May 18, for chapter installation.

A motion passed that the subscription to Life magazine be renewed for three years.

A motion passed that the Senate purchase 6 chairs (\$16.50 type) for the lounge, and 4 new antique red chairs (\$40.15 type) for the Den.

A motion passed that any person or group desiring the use of the Den furniture for any reason should submit a written request for that permission to the Student Senate.

With the approval of the Senate, the present senate officers will continue in their duties until the end of the quarter.

It was noticed that all motions passed by the senate concerning purchases to be made by that body are subject to the approval of the president of the college.

Alpha Sigma Alpha Holds Spring Formal

Omaha Orchestra Plays Music for "Stardust" Sorority Dance.

Alpha Sigma Alpha sorority held its annual spring formal dance at the Country Club on Saturday evening, May 3, from 9 p. m. to 1 a. m.

"Stardust", theme of the dance, was carried out by midnight-blue plaques decorated with silver dancing figures and music notes which formed a low wall around the dance floor. The blue crepe paper false ceiling was hung with silver stars.

Lee Barron and his band from Omaha, Nebraska, furnished dance music.

Downstairs, punch, open face sandwiches, cookies, and nuts were served to the guests. Small tables were decorated with white table cloths on which were placed blue candles in star shaped candle holders. Favors were blue napkins and match covers engraved with "ASA Spring Formal".

Guests present included Joseph Crowley, Robert Bradley, Jack Slack, Roger Todd, Don Laughlin, Bill Vest, C. N. Davis, Paul Moyer, Bob Anderson, Byron Baker, Rjean Black, Harold Johnson, Bill Ward, Arthur Snodgrass, Tony Rizzo, Warren Horne, W. T. Sigma Tau Gamma Elects Roger Wren as President

Roger Wren of Kansas City was elected president of Sigma Tau Gamma fraternity at the regular meeting, April 9. Mr. Wren has been an active member of the fraternity since 1940. He served a number of years in the armed forces returning here for the winter quarter. He is a junior with a major in physical education and a minor in history. He has been elected to serve as senator for the junior class for the coming year as well as "mayor" of "Veteran's Village," and recording secretary and treasurer of the "M" Club.

Other officers of the fraternity are as follows: Harold Johnson, Red Oak, Iowa, vice president; Wilmer Martin, Guilford, secretary; M. R. Wharton, Stanberry, Iowa, historian; and Willard Huggins, Maryville, Saga Reporter.

Retiring officers are as follows: Dan Emerson, Louiston, Missouri, president; Hollis Voas, Minniburn, Iowa, vice president; Raymond Nally, Maryville, secretary; Harold Job, Maryville, treasurer; Wilmer Martin, Guilford, historian and Saga Reporter.

"Blue Mist" Is Theme of Tri Sig. Spring Formal

Tri Sigmas are now making plans and working on decorations for their spring formal which is to be held the night of May 17 at the Country Club. "Blue Mist" is to be the theme of the dance, and the decorations will center around that idea. Mary Clarke is chairman of the planning committee.

Another annual event which is being planned by the sorority is the senior breakfast. It is to be held Saturday morning, May 24, at College Park. Betty Jean Martin is in charge.

Mrs. Foster Becomes New Patroness for Tri Sigma

Mrs. Robert Foster has accepted the invitation of the Sigma Sigma Sigma sorority to become a patroness for the group. She is filling the vacancy left by Mrs. Henry Blanchard, who, with her family, is moving to Kansas City, Kansas.

An informal reception will be given honoring Mrs. Foster Wednesday night, May 14, at the chapter room.

Shower for Mrs. Mauzey Is Given by Alpha Sigs

Mrs. J. W. Mauzey, sponsor of Alpha Sigma Alpha, sorority, was honored with a surprise shower at the regular business meeting on Wednesday night, April 30.

The gifts were placed beneath an open umbrella which formed a centerpiece for the table.

Officers of the Sigma Sigma Sigma social sorority at the College are shown in the foregoing picture. They are, reading from left to right: Jean Polsley, Colo, Iowa, corresponding secretary; Mary Garrett, Maryville, president; Roberta Robertson, St. Joseph, treasurer; Jean Bush, Maryville, vice-president; Helen Sutton, St. Joseph, recording secretary; Mary Clarke of Cairo, Illinois, keeper of the grades, is not shown in the picture.

College Weddings

Shaver-Parham

Miss Anna B. Shaver, daughter of Mr. and Mrs. Earl Shaver of Cameron, was married at 2 o'clock on Saturday, May 3, to John Parham, son of Mr. Odis Parham of Plattsmouth. The Reverend T. Earl Starke read the double ring ceremony in the Christian church in Cameron.

Mrs. Kenley, organist, accompanied the wedding music and accompanied Mrs. Frank Hays of St. Joseph, who sang "I Love You Truly." Miss Mary Leeper of Kingsport played "Till the End of Time" and accompanied Ronald Gordon, a friend of the groom, who sang "Because." June Pollock lighted the tapers.

The bride, given in marriage by her father, wore a white suit with a red rose corsage.

Misses Bernice and Lela Shaver, sisters of the bride, acted as bridesmaids.

Manley Thomson of Agency and Richard Thomas of Hemple acted as attendants to the groom.

Mrs. Parham is a former student of the College. Mr. Parham is attending classes here at the present time.

Mr. and Mrs. Parham are living in Maryville.

McQuinn-Maple

Before an altar decorated with Easter lilies and jonquils, Miss Beatrice McQuinn, daughter of Mr. and Mrs. Austin McQuinn, became the bride of Richard Maple, son of Mr. and Mrs. L. E. Maple, in a double ring ceremony April 19 at the St. Peter's Catholic church of Stanberry. The Rev. Fr. Peter B. O'Rourke officiated.

Given in marriage by her father, the bride wore a white frosted embroidered nylon wedding gown fashioned with a sweetheart neckline. She wore a corsage of gardenias and carried a white prayer book.

Miss Lillian Wiederholt, cousin of the bride, was bridesmaid. Leo McQuinn, brother of the bride, acted as best man.

Mrs. Maple is a former student of the College. Mr. Maple is employed at the McCoy Lumber Company in Stanberry where the couple will reside.

Residence Hall Elects Officers for Next Year

Election of next year's officers for Residence Hall was the principal business of a house meeting held Monday night, May 5. Phyllis Combs presided. A committee of seniors nominated the girls to be voted on. Officers elected, who will be installed some time soon, are as follows: President, Thelma Overy; vice-president, Irma Jensen; secretary, Jeanne Bahl; and treasurer, Shirley Burger.

Council members were also elected for next year. The freshmen are Margaret Curry and Ann Miller. The sophomores elected Betty Jean Martin, Janie Hult, and Roberta Robertson. The new junior members are Helen Sutton, Margaret Wade, and Peggy Turner.

S. C. A. Group Will Attend Conference in Colorado

Mary Garrett, vice president of the Student Christian Association on the campus, was elected one of the six Regional Council members from the Missouri district at Knobnoster on April 19.

The Student Christian Movement has divided the United States into nine regions. Missouri, formerly a district in the Southwest region, was transferred for convenience to the Rocky Mountain region. The annual summer student-faculty conference for this region will be held June 11-20 at Estes Park, Colorado.

Several students from the College will attend this conference along with a delegation from Park College who have chartered a bus for the trip. The fellowship at Estes Park will consist of students from Colorado, Kansas, Missouri, Nebraska, Wyoming, Utah, and New Mexico.

Campus Faculty Dames Honor Veterans' Wives

Thursday afternoon, May 8, from three to four-thirty o'clock, the Faculty Dames club entertained wives of student veterans at a tea in Residence Hall. The tea brought many of the wives together for the first time, and several groups discussed plans for picnics and afternoon club meetings for the near future.

A spray of tulips and lilacs, with lighted candles on either end, formed the centerpiece of the lace-covered serving table. Mrs. W. A. Rickenbrode and Mrs. H. G. Dildine poured.

Hostesses and committees in charge of the tea were Mrs. Willard Robb, Mrs. F. B. Houghton, Mrs. Everett Brown, Mrs. George Colbert, Mrs. J. M. Porterfield, Mrs. Uel Lamkin, Mrs. J. W. Jones, and Mrs. M. C. Cunningham.

Dr. Ruth Lane Entertains Future Teachers Group

There were some early risers Saturday, May 3, in the College community. Dr. Ruth Lane entertained the members of the F. T. A. at breakfast at Roadside Park. The excursion began at 6:30 a. m.

Members and guests of the organization attending the breakfast were Jeanne K. Taylor, Alicia Csanovans, Armina Zelaya, Lorene Jensen, Bernice Smith, Robert Gowing, Clyde Bowman, Mr. and Mrs. Clarence McConkey, Edward Reynolds, Amelia Clapham, Norville Schrage, and Mary Apley.

Faculty Men Attend Dinner

The following men represented the College at an informal dinner meeting held by the Administration Association of Holt County at Oregon, on May 6: Dr. J. W. Jones, Dr. M. C. Cunningham, Mr. Everett E. Brown, Mr. Homer T. Phillips, Mr. Leslie G. Somerville, and Mr. Leslie W. White.

Kappa Omicron Phi Considers Education

Miss Elliott Gives Lecture About Advantages One Has in Teaching.

On Thursday evening, May 1, 1947, members of Kappa Omicron Phi held their monthly professional meeting at the Home Management House. Miss Marjory Elliott, vocational home economics teacher at the Horace Mann high school spoke before the group of home economics students. Her topic was "Home Economics in Education."

As Miss Elliott spoke, she related some of her own experiences in becoming a teacher of youth and gave some good, sound advice to those who are planning to enter the teaching profession. In choosing a career of teaching or any other career, she suggested that each girl have a serious consultation with herself concerning the thing she wants to do most in life, questioning herself and answering questions truthfully, somewhat as follows:

Is the work interesting? Miss Elliott finds that teaching is a challenge to her.

Are there possibilities for self-improvement? She pointed out that there are two kinds of teachers—those who are satisfied with one place and stay there many years, and those who are interested in moving about, improving themselves through newer experiences of meeting different individuals in other sections of the state and country. The teaching profession does offer possibilities for self-improvement through new experiences and by attending summer sessions in college, etc.

Are there possibilities for future advancement? Are the field and the people in it respected? "Teaching is a profession to be proud of," says Miss Elliott.

Is the field highly competitive? The teaching profession lacks this keen competition now. In the next sixteen years 1,000,000 more new teachers will be needed, because of the demand of pre-school children being taught and because of adult-education classes.

Are women at a disadvantage? Are salaries adequate? How much preparation is required? Where there is more preparation, there is more compensation.

With what types of people will one work? What satisfaction is derived? This is perhaps the biggest point. It is difficult many times to see the satisfaction which can come in teaching youth—when one can see a change in a boy's or girl's life for the better. A teacher can take a great deal of credit for this change and thus derive satisfaction.

What personal qualifications are needed to succeed in the profession? 1. In teaching one must like people—all kinds.

2. Must recognize and assume responsibility to community and society as a whole.

3. Must have good health.

4. Must have a good disposition, sense of humor, and an abundance of patience.

5. Must have alertness.

6. Must be honest.

7. Must be tolerant.

8. Must be fair.

9. Must be free from prejudice.

10. Must be practical as well as scholarly.

11. Must be a well-rounded individual by participating in things other than one's own professional experiences as a teacher.

Miss Elliott concluded by saying that the opportunities in the teaching profession are unlimited, and those who do consider it as their life profession will find no regret as youth today presents a challenge.

Refreshments were served following a discussion period by Eloise Harryman, Arlene Davis, and Norma Smith.

Future Homemakers Club Holds Business Meeting

Future Homemakers of America of Horace Mann High School met Friday, April 25. Plans for conferring degrees were discussed. Tuesday, April 29, a formal ceremony was held.

The social committee consisted of Doris McGinness, Marla Garrett, and Charlene Davison, who were in charge of the refreshments.

Jo Dempsey, Betty Lambert, and Doris Allen were in charge of the ceremony.

Membership cards were distributed to the members by the secretary, Bertha Carter.

Marla Garrett, Joanne Wright, and the sponsor Miss Marjory Elliott attended the state convention in Jefferson City, April 25.

Miss Wright, the club president, was installed as state reporter at the convention.

Dramatics Club Presents Plays

Under the direction of James McKinstry, Richard Thomas, and Grace Jean Frisby, Dramatics Club members presented three one-act plays in the auditorium at Horace Mann, Tuesday evening, May 6. A large audience was in attendance to see the plays run the gamut from drama to hilarious nonsense.

New Sorority Organized at Teachers College

A third sorority has been organized at the Maryville State Teachers College. It is the Delta Sigma Epsilon. Standing, Betty Roach, Grant City; Norma Jean Yetter, Albany; Ruth Crockett, Albany; Phyllis Lash, Tarkio; Dorothy Howell, Burlington Junction.

President Will Honor Seniors at Reception

A reception for seniors of the College will be held Tuesday afternoon, May 27, at the home of President and Mrs. J. W. Jones. This is an event held annually by the president for all seniors.

Horace Mann High School seniors will be honored at a similar reception on Tuesday, May 20.

Intermediate Club Holds Last Business Meeting

Tuesday, April 29, the Intermediate Club held its last business meeting of the school year. Eleven members and three short course students attended.

An election was held for president and vice president of the club for next year. Mildred McMahon was elected president and Jean Polsley was elected vice president. Miss McMahon completes her degree at the close of the fall term; Miss Polsley will succeed her as president.

Plans were made for a winter roast to be held in Roadside Park, the evening of May 13.

Peggy Turner Becomes President of A. C. E.

Future Teachers of America and Association for Childhood Education groups sponsored a tea for the visiting high school seniors on Senior Day, April 28. The informal get-together was held in the kindergarten room at Horace Mann Laboratory School from 3 p. m. until 5 o'clock. Bulletins concerning the teaching profession were given to each senior.

On April 21, the Association for Childhood Education elected officers for the coming year. Those who will preside in 1947-48 will be Peggy Turner, president; Jean Polsley, intermediate vice president; Bonnie Pace, primary vice president; Jeanne Clarke, secretary; Rachel Robinson, treasurer; Roberta Mitchell, freshman sponsor; and Jeanne Bahl, social chairman.

Miss Alta Carpenter, member of the English department, spoke on children's literature at the A. C. E. meeting on May 12.

Veterans' Wives Receive First Aid Instructions

First Aid classes arranged by Mrs. Vivian Wren, veterans housing nurse, have begun in Room 101 of the Administration building. A series of five lectures is scheduled, each lecture to cover a vital phase of health and nursing in the home. Meeting every Tuesday evening from 7:30 to 8:30, the classes began April 22 and will continue until the May 20 lecture has been completed.

Five widely varied subjects will be discussed during the course of the lectures, and preventive measures will be strongly stressed as well as first aid itself. The first three classes included first aid in the home, contagious and communicable diseases, and abnormal child behavior. Burns, cuts, sprains, convulsions and household hazards were covered at the first meeting.

Instruction in detection and care of childhood diseases, such as smallpox, measles, scarlet fever, whooping cough, and mumps comprised the second meeting. The third meeting dealt with the neurotic child and unusual behavior evidenced by abnormal children. Maternal and infant care, both pre-natal and post-natal, and feminine hygiene will compose the principal elements of the fourth lecture. The last meeting will deal with surgical diseases and what to do with patients brought home after surgical operations.

These classes meet the great demand for more and better knowledge of such problems regarding health in the scientific world of today, and it is to be hoped that the lectures will continue each quarter.

Sigma Tau Gamma Holds Annual Spring Formal

Sigma Tau Gamma social fraternity held its annual spring formal on Saturday night, April 26, at the Country Club. The occasion marked the twentieth anniversary of the fraternity on this campus.

Blue and silver, the fraternity colors, were used in decorations. Over the door was a large plaque with the words "Twentieth Anniversary 1927-1947." On the east wall was a large fraternity crest and shelding each light were small blue crests. On the mirror above the fireplace was the greeting "Welcome Alumni." To each side of the mantel were the Greek letters of Sigma Tau Gamma and on the mantel were lighted tapers.

Tommy Cook and his band from Leavenworth, Kansas, provided music for the Sigma Taus and their guests. Favors of small lapel pins in the shape of swords with the fraternity crest on the blade were presented to each lady. During intermission refreshments of marshmallow mousse and coffee were served.

Alumni and wives present included Mr. and Mrs. Ray Eckles, Mr. and Mrs. J. B. Cummins, Mr. and Mrs. Donald Logan, Mr. and Mrs. Kirby Bovard, and Mr. and Mrs. James Powell of Maryville; Mr. and Mrs. John Gotsche of Hamburg, Iowa; and Mr. and Mrs. Vern Lawler.

Other invited guests were Dr. and Mrs. M. C. Cunningham, Mr. and Mrs. Lon Wilson, and Miss Martha Locke.

Dr. and Mrs. John Harr, Mr. and Mrs. R. T. Wright, Mr. and Mrs. H. C. Houghton, and Mr. Leslie White were chaperons.

Dr. Cunningham Accepts Position on Committee

Dr. M. C. Cunningham, dean of the College, has accepted an invitation from the State Department of Education to serve on an Advisory Committee on Reclassification of Public Elementary and Secondary Schools of Missouri.

The first of these Advisory Committee meetings will be held in Jefferson City on Monday, May 26.

New Sorority Will Be Installed on May 17

Alpha Phi chapter of Delta Sigma Epsilon will be installed on this campus May 17, according to Joyce Heck, president of the group. Miss Elizabeth Daniels, national president, Warrensburg, and Miss Hilda Stein, installing officer, Carbonate, Illinois, will be present at the ceremonies. Others who will aid in the installation will be sorority members from Warrensburg, Kirksville, and Springfield.

As plans now stand the installation ceremony will be held on Saturday morning, May 17, and there will be a banquet Saturday night at Residence Hall. The group will go to church in a body Sunday morning.

Eleven girls will become active members at the ceremonies. They are Norma Jean Scowden, Savannah; Marilyn Fulkerson, Savannah; Doris Gillespie, Savannah; Ruth Crockett, Albany; Betty Roach, Hatfield; Phyllis Lash, Tarkio; Dorothy Harvey, Blytheville; Ruth Holbrook, Oregon; Joyce Heck, Mound City; Norma Jean Yeater, Albany; and Dorothy Howell, Burlington Junction. They were pledged April 16 by Mrs. Hayden Pyent of Tarkio.

Mrs. Ramona Canton is their sponsor.

MIAA Track Meet Is Held at Girardeau

Bearcat Thinclads Perform Against Well-Balanced Conference Foes.

Coach Ryland Milner took 10 track men with him to the conference track meet at Cape Girardeau last Saturday. Lack of good weather in this part of the state made training a difficult matter for the thinclads, but they performed capably against stern competition from their more fortunate southern rivals.

The nineteen men making the trip to the track meet were led by quarter-mile David Murphy, past point maker in conference competition, and the only letterman on the squad. Murphy ran the quarter mile and half mile in addition to his leg of the mile relay. In the last conference meet, in 1942, Murphy placed second in the 880 behind record breaking Red of Cape, who ran the race in 1:58.6, a full second above the old conference mark set by Taylor of Maryville in 1940. Murphy's time for that 880 was under two minutes, but training conditions have been unfavorable and it is doubtful if he can come close to that mark at this time.

Other men and the events in which they competed are as follows:

Robert Weston, in the 100, 220, and 880 relay.
Warren Horne, in the 100, 220, and 880 relay.
Gene Cross, in the 100, 220, and 880 relay.
Paul Waters, in the 440, 880, and mile relay.
Basil Hoehn, in the 440, and mile relay.
Art Snodgrass, in 440 and mile relay.
Marion Freeman, in the 880, mile, and mile relay.
Bob Carey, in the 880, and mile.
Homer Long, in the mile and two mile.
Mark Christine, in the mile and two mile.
Gene Pemberton, in the 220 low hurdles, and the 120 high hurdles.
Roger Todd, in the 220 low hurdles, and the 120 high hurdles.
Dick Appleman, in the pole vault.
Bruce Peters, in the pole vault and javelin.
James Ross, pole vault and high jump.
Al Wormsley, shot put, discus, and high jump.
Paul Gates, high jump, javelin, and broad jump.
Bill Cochran, discus and shot put.

"M" Club And Gunners Win League Softball Titles

Vernon Weidmaler's steady hurling combined with a sound defense and solid batting power led the "M" Club to decisive victories in intramural softball last week. Three triumphs were chalked up by the team, two being important conquests of Quail 4 and the Jones Boys. A 7-1 victory over the former and a 7-5 win over the latter gave the National League champions a won 5, lost 0 record for the season. They and Quail 4 will represent their league in a playoff to determine the intramural softball king for this season. The American League representatives are the Falcons and Gunners, who emerged as the two top teams in their league.

In the American League the Gunners won all of their games, and closed play with 5 victories and 0 defeats. The Falcons were close behind with 4 wins and 1 defeat. These two teams began competition in the four team tournament this week to determine the winner of the season's play.

"M" Club Picnic Will Be Last Activity of Year

Successful completion of the program for the district high school track and field meet and an informal dance marked the final activities of the "M" Club for the school year. The dance was held in Room 114 after the intra-squad football game Friday, May 2.

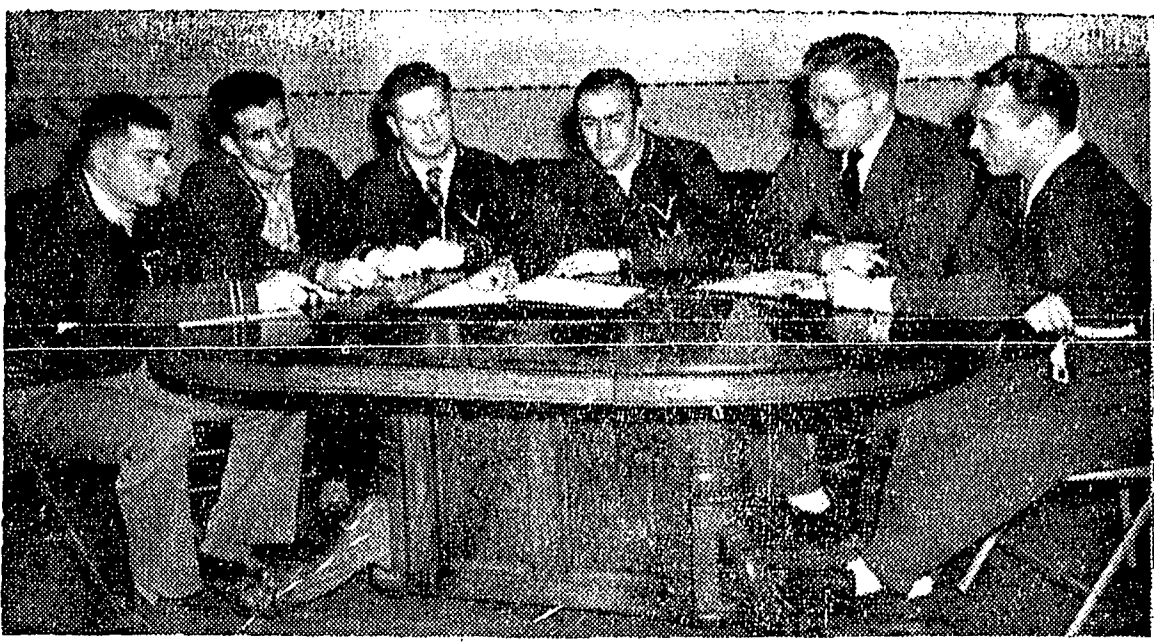

Plans are now under way for a "members only" picnic to be held May 19. Gene French, chairman, and Bob Pick, Don Hartness, and Paul Whitfield are on the committee handling arrangements.

Roger Wren, recording secretary and treasurer, has resigned his office because of a regulation prohibiting the holding of more than two major offices. A new officer will be elected at the next meeting.

At the meeting of May 5, action was made toward improvement of the football program for next fall. Pictures of both the Bearcat players and their opponents will be one plan proposed.

Gene French, softball manager, reported on the progress of the team. The present record of the outfit is five victories and no defeats.

Three poems written by Mrs. Virginia Coe Hamman appear in the summer issue of The Quarterly Rectangle published by Sigma Tau Delta, a national writers' fraternity. The poems are entitled "Consolation," "Confidante," and "Beauty and the Beast." Mrs. Hamman, who has been assisting the English staff this year, is a member of Sigma Tau Delta.

M CLUB OFFICERS recently were elected by athletes of the College. They are shown here, left to right: Howard Glavin, Maryville, publicity manager; Paul Gates, River Grove, Ill., corresponding secretary; Roger Wren, Kansas City, recording secretary and treasurer; Bruce Peters, Creston, Ia., president; Harold Johnson, Red Oak, Ia., vice-president, and Bill Gamble, Plattsburg, sergeant-at-arms.

High School Girls Are Guests at WAA Play Day

W. A. A. Play Day, beginning at 8:00 a. m., was held at the College Saturday, May 3. Many schools were represented, some of the sponsors being former students and graduates of the College. They were as follows: Blythedale, Mrs. Evelyn Bridges; Savannah, Norma Young; Gentry, Mrs. Edith Austin; Horace Mann, Doris Polk; Thomas Jefferson, Council Bluffs, Iowa, Mildred Smith; Burlington Junction, Mrs. Staples.

Central High School, Hattie Ellison and Mrs. Wade; Pickering, Mrs. Betty Andrews; Clarinda, Iowa, Mrs. Harry Anderson; Maryville High School, Mrs. Roberta Wray; Shenandoah, Tharen Erickson; Eagleville, Mrs. Chrystal Reed; Tarkio, Mrs. Frank Withron. Charlton, Iowa, Marles Busby; North Kansas City High School, Mary Louise Baker and Garnet Howard; Hatfield, Doretta Madison; Bethany, Edna Younger; Ravenwood, Mrs. Mary Lee Polk; Ottumwa, Iowa, Carolyn Emery and Vida Berneau.

After registration, the 175 girls who came enjoyed an hour of square dancing called by Miss Win-cie Ann Carruth. Miss Carruth was accompanied by Mary Bilby on the piano and Ruth McDowell on the violin. Afterwards, there was an assembly at which President Jones, introduced by Lois Gorden, welcomed the girls to the College.

After assembly, the girls were divided into color teams with leaders as follows:

Mercedes Myers—orange; Wanda Ashford—black; Esther Gasper—dark blue; Dorothy Harshaw—green; Vee Oyler—light green; Arlene Davis—brown; Shirley Burton—blue; Lois Gorden—purple spot; Irma Jensen—purple; Charlotte Spahnower—brick; Dorothy Smith—brick spot; Evelyn Rhoades—yellow.

Helen Fisher—green spot; Dorothy Martin—yellow spot; Edythe Fitzwater—brown spot; Maxine Holland—blue spot; Lavonne Wescott—blue green.

Each of these teams had relays in the morning, and in the afternoon each team played five volleyball games. The winning team, Esther Gasper's, received a blue ribbon; each of the other teams received white ribbons with WAA printed on them in green. The awarding of honors for the day completed the Play Day program.

Alumnus of College Stationed in Korea

Seoul, Korea (delayed): Technician fifth grade James V. Hill, son of Newton G. Hill of College Springs, Iowa, was recently promoted to technician fourth grade. He is editor of the Korea Graphic Newspaper in Headquarters XXIV Corps, Information and Education Section.

Hill graduated from College Springs high school in College Springs, Iowa, and also attended the Northwest Missouri State Teachers College in Maryville, Missouri. He entered the Army in April, 1946.

Swimming Classes Take Courses in Red Cross

Ernest A. Vornbrock, a field representative of the midwestern area of the National Red Cross, was here on the Campus, May 5-9, conducting an instructor's short course of first aid, water safety, and accident prevention.

Formerly aquatic director of the downtown Y. M. C. A. of St. Louis, Mr. Vornbrock joined the National staff of the First Aid, Water Safety, and Accident Prevention Service and is now special representative for Missouri.

That students passing the course, conducted by Mr. Vornbrock, will be able to go to their own communities and conduct similar courses is the purpose of the Red Cross program. Some of the students may help with the program here at the College.

Mr. Vornbrock left here to direct a National Aquatic School at Lake Murray, near Ardmore, Oklahoma.

Intra-Squad Game Is Won by Whites

Deception and Hustle Highlight Victory Under Lights.

Deceptive ball handling, clean vicious tackling, hard blocking, hustle, and good passing and kicking marked the final workout of the Bearcat gridmen for the spring session. The workout was conducted in the form of an intra-squad game, and the play was good enough to draw a smile from the face of Coach Ryland Milner, even though some ragged edges will have to be smoothed between now and next September when the 1947 season opens with a game against Ottawa on the home field.

Coach Milner divided his squad into two groups for the game, played under the lights Friday, May 2. Wingback Rex Adams captained one group, the Greens, while Tackle Harold Johnson led the other, the Whites. The latter group won the contest, 19-7. The fine defensive play of Dewey Drennen, Johnson, Roger Wren, and Bill Gamble in the front line was outstanding for the Whites, while the Greens put up a hard line consisting of Klang, Hartness, Baker, Cobb, Gardner, Geist, and Younger. The deception of the White team was the deciding factor in the game.

Early in the first quarter, the Whites scored on a 25 yard run after a fake lateral. A sleeper on the first play after the kickoff paved the way for the touchdown scored by Gates. Lininger threw to James in the flat, and the fleet wingback dashed to the 25, from where the touchdown was made. The Greens drove back for a touchdown and went ahead on Zuchowski's placement. The drive was featured by the hard running of Zuchowski and an end around carried by Younger that placed the ball on the four yard line. Both of these touchdowns were made in the first quarter, and in both cases the teams carried on through to the goal without losing possession of the ball.

After the initial spurts the squad slowed down, and it was not until the middle of the second quarter that the Whites crashed through again. A pass from Gates to Sherman and a run by Don Snyder drove the ball to the one foot line, from where Gates sneaked over for the score. Later in the period, Snyder intercepted a pass in the flat and raced thirty yards for a touchdown, and a placement by Gates completed scoring.

The second half saw opportunities for touchdowns nullified by penalties and hard defensive play. A long 65 yard quick kick by Daly of the Whites featured the play, and a jumping catch by Coulter of a pass thrown by Butthers of the Greens late in the fourth quarter also was spectacular. The aerial attack of both teams was used more in the second half, but the accuracy was hampered by hard charging lines.

With this game to be used as a partial proving ground for the fall, Coach Milner can look forward to a spirited, aggressive, somewhat green, but always hustling ball club. With those qualities he has proved that he can make a winning team, and if they are displayed next fall the call and well be, "Watch the Bearcats."

Kappa Omicron Phi Has Election New Officers

The senior girls of Kappa Omicron Phi—Helen Lewis, Eloise Harryman, and Sarah Espey—were guests at a dinner given in their honor May 12 at Residence Hall. Gifts of coventry pottery hostess bells were presented to them. Gene Kowen was general chairman of the dinner. On May 5, the annual election of officers was held. Those elected are as follows: president, Madge Miller; first vice-president, Marilyn Partidge; second vice-president, Mary Loyce Rockwell; recording secretary, Irma Lee Hull; corresponding secretary, Phyllis Butts; treasurer, Patty Straight; keeper of the archives, Mary Doran; guard, Phyllis Combs.

Administrators Called to Tornado Area at Worth

Receiving a plea for assistance from the stricken community of Worth, President J. W. Jones and Dean M. C. Cunningham of the College responded almost instantly with nurses and medical equipment for the dazed survivors of the tornado, Tuesday afternoon, April 29. In less than thirty minutes from the time President Jones received the urgent call, he and Dean Cunningham were on their way to Worth with two nurses from the College, Mrs. Roger Wren and Mrs. A. A. Wormsley, and another trained nurse, Mrs. Eugene French.

The storm, which completely annihilated the Worth business district, was more complete in its destruction than was the Texas City disaster according to a report from the Kansas City Star and (P) reporters and photographers.

Random Shots . . .

The track squad, consisting of 19 men led by Coach Ryland Milner, journeyed to Cape Girardeau for a conference meet last Saturday. Details of that meet are elsewhere on this page.

Chalk up a point for the Bearcat thinclads, regardless of scores. In the poor weather they, nor anyone else, did not anticipate, the squad worked out faithfully in order to present a team for the conference meet. They did a good job.

After the intra-squad football game last week, comments ran hot and heavy as to the ability, hustle, and general football skill displayed on the gridiron that evening. Most of the old timers of the area who have watched Coach Milner's teams for years past thought that the boys performed quite well, and were mildly surprised at the score of the contest. Normally, spring sessions bring out defensive play, but offensive football highlighted the game that night.

The intramural softball season will be over at the end of this week. The powerful "M" Club seems at this stage to be the best team in play here. They have a well-balanced team, with Weidmaler hurling consistent ball, the infield playing tight, and the batters hitting well and often.

Boy Scout Camparee Is Held in College Park

Under the direction of Gordon Bixler, Alpha Phi Omega sponsored a camparee, May 3 and 4, in the College park.

Troops participating were 74 and 75 of Maryville, 68 of Skidmore, and 90 of Conception Junction.

The camparee started at ten Saturday morning and ended Sunday afternoon. The highlight of the camparee was the big council fire Saturday night when each troop presented a skit for the entertainment of the others. Following the stunts, first year campers were initiated into the ancient and honorable order of the Kappa Kappa. The evening ended with songs led by Charles Green.

Craft Shop Students Demonstrate New Skills

"College Craft Shop" is the name given to a section of the Industrial Arts department which provides students and faculty members an opportunity to try their skill at handicraft. On Tuesday afternoons from 4 until 5:30 o'clock the craft shop is open to those who are interested in working with plastics, leather, art metals, and wood. Mr. Howard Ringold, of the Industrial Arts department, is on hand to give helpful suggestions in the handling of the various materials.

Plastic has been a popular medium with the hobbyists who have produced items ranging from novel place card holders and buttons to modernistic table lamps and book ends. Another popular pastime is the chip-carving and stippling of wooden trays and wall plaques. Among those who have attended

Graduate to Head Summer Recreation

Ballots Show Swimming as Favorite Sport of Both Men and Women.

Mr. Blaine Steck, of Tarkio, will take over his duties as director of the summer recreation program for the city on May 19. Mr. Steck is a graduate of the College, and is well known for his work in last year's recreational program. He has been coaching and teaching at El Dorado Springs.

With the assistance of Miss Helen M. Dauncey, national authority on recreational activity, the Park and Recreation Commission has been formulating plans for the summer program.

"What do you do for fun" ballots were sent out by the social studies committee to assist in planning the program, and to provide a source of information for Miss Dauncey in conducting the 1947 Recreation Institute in Maryville.

Results of the ballots were divided into four age groups by Miss Dauncey, in her study of the recreation program. These groups were adults, college, senior high, and junior high. The activities included on the ballot were divided into four sections: sports, arts and crafts, study groups, and games. Swimming was voted the favorite sport in all age groups by both men and women. Bowling was voted second by the adults and college groups; while baseball and basketball were popular in the younger set.

In the Arts and Crafts section, men of all ages expressed an interest in photography, woodwork, and shopwork, the ladies preferred dramatics and social dancing. Other activities among the top three selections by the groups were languages, sketching, public forums, and bird study.

Miss Dauncey said that the wide popularity of gymnasium classes with the College men indicated excellent supervision in the College gymnasium classes.

CBS Wins Title Here In District High School Meet

Christian Brothers high school of St. Joseph topped the class B title in the annual Northwest Missouri district track meet held at the College field Saturday. The C. B. H. S. team scored seven firsts and amassed 49 points as they placed in every event but two. Norman Cole of C. B. H. S. was high scorer in the class B, scoring three firsts and running on the winning 880 yard relay team for a total of 16 points. Liberty high school followed C. B. H. S. with 27 points.

In the class C meet it was a close duel between Rock Port and King City down to the last event, Rock Port's medley relay team clinched the title when it scored a first in that event to beat the King City team by 2 1-7 points. King City, however, had the high scorer of the entire meet in its dash man, Thomas Bishop, who scored three firsts and a second for a total of 18 points.

A Humorous Incident

A note of hilarity was injected into the seriousness of the meet when Bob Boeh of C. B. H. S. almost lost his pants while rounding the first turn in the 440 yard dash. Holding on to his pants with one hand Boeh overcame his handicap and placed second in that event.

At the conclusion of the meet Athletic Director E. A. Davis of the College presented the winning coaches with gold trophies. Medals were awarded for first, second and third places in each event and also to each member of the winning relay teams.

Despite ideal weather condition the records withstood efforts of athletes from 33 schools. It was the first time that class A schools did not compete. First and second place winners will be eligible for the state meet at Columbia.

Tuberculin Patch Tests Given Unit Occupants

Vollmer tuberculin patch tests arrived at Apartment 1 of campus housing units and were available for every person, including the children, on Thursday and Friday, May 8 and 9.

Mrs. Vivian Wren, housing nurse, encouraged each family to have the tests now because no more would be available until November. This is a painless and a generally sure test for tuberculosis sensitivity. By November she hopes to have a public health Mobile X-Ray unit here which will be available for everyone on the campus.

Youth Counsellor Speaks Before Assembly Group

In speaking to the students of the College at assembly, Wednesday, April 30, Mrs. Dorothy Waldo Phillips, youth counsellor, said, "Teachers should think of themselves as salesmen with a product to sell, that product being the American way of living."

Mrs. Phillips stressed four main goals of education: (1) the power to see clearly, (2) the power to imagine vividly, (3) the power to think independently, and (4) the power to will nobly.

We must all learn to make people feel important and feel that they "belong," said the youth counsellor.

Professor Produces Fruit Quicker Than Gardeners

NORMAN, OKLA. — When the home economics department at the University of Oklahoma has a scarcity of fruits and vegetables, they neither bemoan the fact nor contemplate new methods of cultivation.

Miss Laura A. Miller, associate professor of home economics, can produce green vegetables and luscious looking fruit quicker than the most expert gardener. However, her greenhouse wonders are not the succulent fruit usually expected by culinary experts. They are made of paper and paint.

The necessity for artificial fruit arose when the department was unable to secure wax reproductions for classroom display and for use as models for dietetics students who calculate weight, vitamin and protein content of fruits and vegetables.

Paper models by Miss Miller was the answer to their need. Lighter than their wax counterparts, the paper models are also in less danger of being dropped and broken during experiments.
